

# Roots for Life

March 2017

## Namaste!

Welcome to our newsletter and our new look. As our projects are increasing and developing, we will regularly report online from now on. We will do this on our website, on Facebook and in this newsletter. We hope you enjoy reading and are looking forward to your support.

## New Website

We are very proud of our new website, which has been online since March. It will give you a survey about the focus of our work and the status of our nine [projects](#), it illustrates our growing [network](#) and reports about [news](#). A visit will always be worth it! ## From our Blog

### In Nepal again

Roots for Life intermediate Carola Gosch is presently on project tour in Nepal. In many projects we anticipate progresses and we will be able to report about them soon.

[More...](#)

## 7 school rooms in Thade inaugurated

Within the framework of our village development in Thade which we accelerate together with our local partner Chay Ya we were able to open the first rooms of the rebuilt school. [More...](#)

## First female carpenters in training

Together with our project partner Kar.ma Coffee in Kathmandu we are currently training the first five women to become carpenters. [More...](#)

## Good grades for our scholarship holders

Roots for Life supports the school

## Preparation for training farm in full swing

For our training farm in the village of Chyangsar we were able to rent a piece of land together with the village women's association. [More...](#)

## Chyangsar – Tin roofs have been used in many ways

New pictures from Chyangsar reached us in February. They show, how the tin roofs we delivered after the earthquake 2015 have been used. [More...](#)

education of 2 Tamang girls by an individual scholarship. They completed the last examination cycle with A+. [More...](#)

## Raksha Nepal – New rooms for the children

The renovation works at the Raksha Nepal mother and child care center in Kathmandu are progressing. Further steps forward were being made in interior design. [More...](#)

## First chickens have arrived in Chyangsar

Due to their own initiative the women's association of Chyangsar has attained small sized loans which were extended by Roots for Life. Thus the women were able to buy the first chickens and build or arrange some first stables. [More...](#)
