**wishes
Merry Christmas!**

Namaste!

A solid foundation has been laid this year, but we are now faced with the task of sustainably securing the changes.

Therefore we need your donation!

With your donation:

- The women successfully lead and expand their cooperative!
- More women participate in numerous trainings!
- The girls of the Scholarship Program continue to go to school!
- The children of the Opportunity Village eat healthy!
- The women from Ghunsa also set up a training farm!

It was a highly productive year for the inhabitants of Chyangsar. The Farmbuildings of their [Training farm](#) are already in place. Finally, they were able to rebuild their own houses and make them earthquake-proof, buy new stoves and successfully grow their own [Vegetables](#).

Will they be able to implement what they have learned independently?

The [School in Thade](#) is now complete, along with the gender-separated, safe toilets and showers for girls. The children now have an ideal environment to learn and develop optimally.

Will the girls now have more time to study?

[The Cooperative](#) grows and grows, women from Ghunsa also want to work with the women from Chyangsar.

Will the cooperation of the women work in the future?

The scholarship-holders in [Chyangsar](#), [Pokhara](#) and [Thade](#) learn well and write good grades.

Will they be able to be independent?

We want to answer all these questions with a YES in the coming years.

You can help us too!

Roots for Life wishes you peaceful and merry Christmas
